

TAUGHT BY THE VOICE

Acts 8:5

Philip went where he went and preached Christ due to the power of God the Father and Christ the King working in him through the Holy Spirit. From the beginning, Christ Jesus the King determined who his servants would preach and where they would preach him (**Acts 1:8.**) Most of what goes under the banner of "balanced ministry" is a cloak of the inordinate lust of man for new endeavors which man can achieve. Christ Jesus the Son of God must be set forth to be the light of the doctrine. Christ Jesus must be set forth to be the Power by which it is affected in the heart. As Christ Jesus is set forth he causes his vessels of mercy to do all to the praise of his glory, not their own. God's witnesses have gone to seminary under the teaching of THE VOICE so by his power they can only heed and cry what the Voice said cry (Isaiah 40: 6-9.)
