

## **THEREFORE**

### **Acts 8: 3-5**

God had worked the power of his grace in the hearts of those within the church making them obedient to the faith and because God had used those who hated him to scatter his church. **Therefore** they that were scattered abroad went to those predetermined places preaching the word. Just in case we have to ask what is meant by "preaching the word" the next verse tells us exactly (Acts 8: 5.) If we are truly born again believers, no matter where our God scatters us, we will go every where preaching one message, Christ Jesus the Lord.
