

THE SAVOR IS THE SAVIOR

Matthew 5: 13

Christ Jesus is the Savior is the savor of salt abiding in every believer. If the glory of God in the face of Christ Jesus is not All in our salvation, in our purpose for gathering for worship, and in the message we set forth before the world then we have lost our savor and have absolutely nothing with which to salt the earth. Wherever Christ is not All and in All it is good for nothing but to be cast out and trodden under foot of men.
