

GOD'S UNSTOPPABLE GOSPEL

Acts 4: 1-4

Let the heathen rage and the people imagine a vain thing, hold forth the gospel of Christ Jesus alone and declare boldly that all flesh is grass. Carnal men have never once succeeded in their God-hating endeavors. Even at Calvary, they did what God had before determined to be done. Through the blood of Christ the elect of God are forever accepted in Christ. God will quicken each one through this gospel. So proclaim Christ with boldness!
