

Great Miracles

Acts 5: 12-16

The apostles had just asked the Lord to do this (Acts 4:30.) It was indeed Christ in glory who healed this physical infirmities. Yet, these physical miracles pale in comparison to the signs and wonders of eternal healing which Christ the Lord performs in his people spiritually. It was to give us some idea of the miracle of his grace to make us every whit whole in spirit and in truth that these natural healings took place.
