

April 19

Joshua 24: 19: And Joshua said unto the people, Ye cannot serve the LORD: for he is an holy God; he is a jealous God; he will not forgive your transgressions nor your sins.

How can anyone read this verse and think that they can come to God by their wisdom, will or works? We need one who is the perfect servant of the LORD to serve in our place; the one who is holy God who took the humanity of his people to please the holy God; the one whose heart was so set on glorifying God that there could be no jealousy in God toward him; we need the one with no transgressions and no sins who put away the transgressions and sins of his people. We need the GodMan, Christ Jesus the Lord! There is no serving God apart from submission and rest in His Son through faith. Sinner, flee to Christ today; believer, look nowhere else!
